

HEALTH & SAFETY POLICY

Spirit recognises its responsibilities for health & safety and has implemented safe working practices designed to ensure compliance with regulatory & legal requirements.

The directors & senior managers are committed to doing all that is reasonably practicable to prevent accidents and ill health and to protect all employees, contractors & visitors engaged in activities at Spirit by providing appropriate supervision, resources, awareness & training.

All employees, contractors & visitors are made aware of their duty to act reasonably and responsibly to prevent accidents and to protect the health & safety of themselves and other personnel.

Signed:

A handwritten signature in black ink, appearing to read "S. Driver", written over a faint circular stamp or watermark.

Steve Driver
Managing Director
